1. I wish to take this opportunity to express my gratitude to you for sparing an offr for interaction with user units to resolve their long pending MFAI cases on 22 May 18.
2. Mrs Abhineet Dhillon, ACDA nominated by you has been a great help in guiding the units in early resolution of these cases. Her frank & positive guidance has helped the units identify alternate solutions to their complex audit objections.
3. I am sanguine that such positive interaction with your office will help us in resolving all outstanding audit cases in early timeframe.

Best wishes.
