Sub: Intimation regarding Unwillingness to serve on sensitive assignments.

Of late, it has been observed that AAOs posted at stations other than Chandigarh are not willing to serve in sensitive assignments and requesting to forgo sensitive assignment. Such requests are generally based on domestic circumstances or medical grounds of the individual himself or any of his family member. The spate of such requests has been viewed with concern by the competent authority as the same leads to administrative inconvenience.

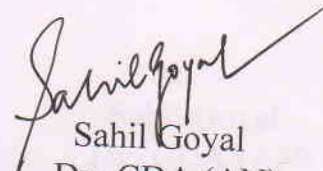

In view of above, to curb such situation it has been decided by the competent authority that all the AAOs posted in sub-offices (**except Chandigarh station**) who are unwilling to serve on the sensitive assignments should forward their requests, along with detailed reasons in support therefore, for consideration of the competent authority. Accordingly, **the unwilling officers will be debarred from posting to sensitive assignment for 2 years from the date of receipt of their applications.**

In case, no such request to forgo is made by the official, the same would be considered as the consent for the willingness to serve on sensitive assignment. **The officials request to forgo his sensitive assignment thereafter will not be considered.**

The intimation regarding unwillingness, along with application in support may please be forwarded to this office/section latest by 15.06.2018 through Fax or email at pcdawcan1.dad@hub.nic.in.
