To,

All NIC mail users

Sub: Advisory- Receipt of spurious mails regarding.

It has been observed that many users are receiving mails from email IDs having domain name of gov.in, nic.in etc which are advising users to click on links provided in the email body for verification. The address of the sender has been shown as the IT Cell of MoD in some mails.

In this context, it is advised that such type of emails may be spurious in nature and clicking on the link may install ransomware/malware in the computer of the users which may corrupt the data or stealing of data may be possible.

The Competent Authority has directed the users not to click the link in such type of emails which appear spurious in nature. Such emails may be deleted. Users are also advised to remain watchful if they receive emails from unknown senders even if it is received is from gov.in/nic.in domain. Users may also ensure that the antivirus installed in their computers remain up to date.
