Dear Mr Sehgal,

1. On the eve of my departure from Army Hospital (R&R) Delhi and my superannuation from service, I take this opportunity to express my heartfelt gratitude for the constant support received by the hospital from you personally as well as from all staff of the PCDA (WC).
2. This hospital faces certain unique challenges as the apex hospital of the Indian Armed Forces in view of both the magnitude as well as the nature of services expected of it. It is an immense responsibility to balance the requirements of procedure, policy and patient care at the required pace and volume. Your office has been a steadfast partner in our ability to meet the above requirements. I am indeed grateful for the understanding and the cooperation extended by your office to this end. Please do convey my gratitude and best wishes to all the staff for the same.
3. I also take this opportunity to solicit your continued support in our effort to provide the level of care which we have always endeavoured to provide to the services.
4. Thanking you once again.

warm regards

Yours Sincerely
