In terms of Income Tax rates applicable for The Financial Year 2020-21, tulip will automatically deduct income tax and education cess as per the net taxable salary of the employee w.e.f. 03/2020. The following are some important aspects to be kept in mind by all concerned for their further necessary action :-

1) All the employees must give their option by 25-03-2020, whether they want to continue with the existing income tax slabs, rates and exemptions or want to opt for the new tax regime, as proposed in Budget 2020. Option once exercised will be treated final for the F.Y 2020-21 and will not be changed subsequently.

2) All the employees who have submitted their provisional home loan certificates for financial year 2019-20 must submit their home loan certificates in the first week of April, 2020 so as to enable this office to calculate the final figures for issue of Form-16 for financial year 2019-20

3) All the employees who have savings other than GPF/NPS should submit either saving proof or undertaking in support of intended saving during the financial year 2020-21. All saving proofs in original must reach this office by 15/11/2020 by all means otherwise the savings accounted for on the basis of undertaking will not be taken into account.

4) It has been observed that employees are submitting their saving proofs in instalments. It is requested that all saving proofs/ certificates must be forwarded in one batch for proper record of this office. Moreover instead of submitting proper certificates on a/c of interest on home loans/ education loan, the photocopies of their passbooks is being submitted, which is not in order. The employee must submit proper certificates obtained from the concerned financial institutions.

5) It has been observed that in some cases home loan certificates are issued in favour of both spouses but the rebates have been claimed by one of the spouse, which is not in order. As per IT Act when the property is in the name of both spouses and loan is also sanctioned in favour of both spouses as co-borrowers, then rebate will be given to both spouses in the ratio of 50:50. It is therefore
requested to submit loan certificate from concerned financial institution, along with copy of sanction to purchase immovable property issued by concerned DAD office and copy of purchase registry showing the ownership of the property.

6) Further the documents furnished must be legible and clear i.e. a detailed information proforma showing different types of savings under different sections.

7) All saving certificate must be self attested by concerned employee instead of simply forwarding the same to this office for making all the calculations at our end.

8) Rent receipt must be submitted duly showing the address and name of house owner on prescribed proforma of Income Tax Department. PAN of house owner must be enclosed in case of total rent paid in a financial year is more than Rupees One Lakh.
